

1/2" MIP x 1/2" PEX Poly Elbow

\$1.79 USD

SKU: 12MIP12PPEX90

PPSU fittings are Lead free, durable, light weight, corrosion free, and resistant to chlorine and other things that may be present in today's water supply. Poly F2159 fittings can be used with Copper crimp rings, Stainless clamps and Stainless sleeves. They can be used in hot and cold potable water applications as well as in hydronic heating applications.
