

3/4" Female Hose x 3/4" Male Hose Vacuum Breaker

\$4.54 USD

SKU: 34HOSEVB

The 3/4" Female Hose x 3/4" Male Hose thread vacuum breaker is installed on water lines such as hose bibbs, laundry tubs and service sinks to prevent reverse siphon of waste, contaminated or non-potable water from entering the water supply. There is a breakaway set screw to prevent tampering.
