

60" Braided Hose Dishwasher Install Kit w/ 3/8" MIP Elbow

Out of stock

\$11.37 USD

SKU: 60DISHKITIPS

60" Flexible Connector or braided hose dishwasher install kit used to connect supply stop to dishwasher. The inlet of the braided hose is 3/8" OD Compression and the outlet is 3/8" OD Compression. The kit comes with a 3/8" OD Compression x 3/8" MIP elbow. This is most commonly used on older style dishwashers.
