

72" Braided Hose Dishwasher Install Kit w/ Swivel Hose Elbow

\$11.15 USD

SKU: 72DISHKITSWV

72" Flexible Connector or braided hose dishwasher install kit used to connect supply stop to dishwasher. The inlet of the braided hose is 3/8" OD Compression and the outlet is 3/8" OD Compression. The kit comes with a 3/8" OD Compression x 3/4" Female Hose thread. This is most commonly used on newer style dishwashers.
