

OS1222 Octa Rail PEX Installation Mounting Rail for 3/8" - 3/4" Tubing, 1 Meter (3.28 feet)

\$7.00

SKU: OS1222

The Winkler OS1222 Octa Rail PEX installation rail works with 3/8" to 3/4" PEX tubing. Each rail is 1 meter (3.28 feet) in length and can connect together to create any length required. Alternating heads on the rail allow for the use of 3/8" to 1/2" in one and 5/8" to 3/4" in the other. They are spaced 4 inches apart.
