

1/2" Blue Vesiflow PEX-c Tubing (500 ft Coil) Out of stock

\$145.53 USD

SKU: C5-500B

Vesiflow PEX-c is the most versatile PEX tubing available. It works with virtually every connection type including F1960 and F2080. The irradiation method of cross-linking creates no chemical byproducts and provides superior odor and taste properties through increased material stability. Vesiflow PEX-c is the most environmentally friendly PEX on the market. It carries a 25 Year system warranty.
