

## 1/2" Natural VesiFlow PEX-c Tubing (500 ft Coil) Out of stock

**\$145.53 USD**

SKU: C5-500N

VesiFlow PEX-c is the most versatile PEX tubing available. It works with virtually every connection type including F1960 and F2080. The irradiation method of cross-linking creates no chemical byproducts and provides superior odor and taste properties through increased material stability. VesiFlow PEX-c is the most environmentally friendly PEX on the market. It carries a 25 Year system warranty.
