

3/4" Blue VesiFlow PEX-c Tubing (500 ft Coil) Out of stock

\$399.60

SKU: C7-500B

VesiFlow PEX-c is the most versatile PEX tubing available. It works with virtually every connection type including F1960 and F2080. The irradiation method of cross-linking creates no chemical byproducts and provides superior odor and taste properties through increased material stability. VesiFlow PEX-c is the most environmentally friendly PEX on the market. It carries a 25 Year system warranty.
