

3/4" Copper Fitting x 3/4" Female NPT Adapter for Press-Fit

\$16.07 USD

SKU: 34PRFFTGADPAT

Copper Press fittings are perfect if you do not want to solder. They create a permanent mechanical joint when pressed by the tool. These fittings work with the Ridgid, Milwaukee, Dewalt and Rothenberger tool. They can also work with the Nibco tool on fittings 2" and under.
